(1) Counts include matriculating Harvard students enrolled in Harvard courses during the summer session.

(2) Beginning with 2004, high school graduates enrolled in secondary school programs are counted as undergraduates instead of Secondary School students.

(3) Previous versions of this page erroneously reversed counts for "Undergraduate" and "Secondary School" students in 2007 and 2008.

(4) Non-degree enrollments include all students enrolled on October 15 in at least one class that is creditable toward a degree or formal award.

2005 counts include 58 graduate students and 36 College students displaced by Hurricane Katrina.

(5) Counts are for the first semester only. This significantly undercounts yearly enrollment in the Extension School as approximately the same number of new students might be enrolled in the second semester.
